RAYNOR
GARAGE DOORS

Country Manor™

A Timeless Classic

With aesthetic design options that complement every home, this door is the ideal choice for a one of a kind carriage house look that will stand the test of time. Raynor's Country Manor is perfect balance between exceptional beauty and enduring quality.

QUALITY EXCLUSIVE TO RAYNOR

Country Manor is constructed with NeuFoam™ insulation which provides the ability to guard your garage against hot and cold temperatures; a WeatherLock™ section joint prevents air and water infiltration. Style and energy efficiency combine here to provide a comfortable climate in your garage.

Pick your **COLOR**

Start creating a beautiful, customized garage door design that fits your style by selecting from one of our many color options below. Deep, distinct embossing creates a sharp and detailed looking garage door.

Black steel doors come standard with a Cool Chemistry™ paint finish to protect from extreme heat. For environments where extreme heat and sunlight exposures are constant, black not recommended.

Pick your **PANEL**

Our precision cut inlay boards provide a more realistic carriage house style than traditional panel embossing. All door styles are 2" thick and available in one or two car configurations, with or without windows.

standard.

CHARMING STYLE

Country Manor offers oversized windows providing a dramatic and beautiful look with stunning curb appeal.

Pick your **WINDOW** All options available as one or two car configurations.

Pick your **GLASS**

All of our Country Manor windows are tightly sealed and insulated to keep the elements out of your garage. Choose from either clear, obscure or satin glass styles.

WEATHERLOCK™

Raynor's thermally efficient WeatherLock system is designed for the harshest climates. Our proprietary WeatherLock™ section joint has continuous thermal break and air seal between steel sections. This modified tongue-in-groove joint provides exceptional strength, while effectively locking out both air and water infiltration into the garage's interior.

NEUFOAM™

State of the art high-density Neufoam™ polyurethane insulation delivers maximum structural integrity and door strength. Combine our state of the art insulation material with our proprietary WeatherLock™ section joint design and you get the industry's most energy efficient door.

AUTHORIZED DEALER NETWORK

When you select Raynor, you're not just getting a superior garage door - you're also getting professional garage door installation and service expertise. Trust your Raynor garage door to someone who knows it better than anyone else, your professional Raynor Dealer.

SECURELOC™

Raynor's SecureLoc Anti-Break-In assurance plan combines a SecureLoc capable opener with the strength of a Raynor residential garage door that locks automatically when the door closes. Have a peace of mind knowing your garage is protected from intrusion with SecureLoc! For more information on Raynor's Anti-Break-In assurance plan visit www.Raynor.com/SecureLoc.

TRUBALANCE™

Doors equipped with our patent pending TruBalance drum system are 87% easier to operate manually and provide you with a peace of mind knowing you can safely and easily manually operate your garage door in emergency situations. This counter balance system comes standard on doors up to 8' high with oversized windows in the top section.

LIMITED LIFETIME WARRANTY

Dedicated to customer satisfaction, Raynor doors carry a "For as Long as You Own Your Home" limited section warranty against rust, six (6) year limited warranty on hardware, and a three (3) year limited warranty on springs to the original purchaser. We stand behind our workmanship and product and are dedicated to customer satisfaction.

Pick your **OPENER**

Raynor's full line of residential openers offer a broad selection of performance, features and durability. All models offer the ultimate in safety and security features, are available in a variety of horsepower levels and drive systems, as well as wall mounted jackshaft operators and battery backup systems. MyQ™ technology enables you to securely monitor and control your garage door opener with your smart phone, tablet or computer.
